

Sponsorship Information

Sometimes people endure a life changing experience through no fault of their own or continue to fight an up hill battle. Their lives are turned upside-down in an instant or they undergo a constant struggle that may affect them physically, mentally, emotionally and spiritually. This program is a light along the way to lift their spirits.

Matt and Michelle Carre started the Airdrie Angel program in January 2013. "We were inspired by what Gerry Forbes does on CJAY 92 said Matt Carre, "It's not life changing money but if we can make someone's day brighter then we have met our goal". Michelle added "This is about human spirit, giving back and helping those close to home".

The human spirit is greater than anything that can happen to it.

**IF YOU WOULD LIKE TO SPONSOR THE PROGRAM
PLEASE CONTACT MARIE LAUER AT 403-948-1411.**

If you would like to sponsor the program please contact Marie Lauer at (403) 542-2588. As we try to tailor the package to each recipient's needs we do need a variety of items. We do ask for a minimum amount which we can discuss. If you would like to be the cash donor of the \$500 we give each month, we don't need a long term commitment, but of course we would love one. We are appreciative of what people can and do give.

You are what make this program possible!
